RESOLUTION
CITY OF DUNES
June 13, 1974

WHEREAS, the members of the City of Dunes Council and residents of the City of Dunes are greatly concerned over voting on matters that pertain only to the City of Dunes and its residents. At the recent Primary Election considerable confusion existed at the polling place since others than registered voters of the City of Dunes also voted at the same polling place and the voters from outside of the City of Dunes were listed in the same poll book as residents of the City of Dunes.

WHEREAS, the City of Dunes' Council considers it absolutely necessary that a system be put into effect to insure that only registered voters who reside in the City of Dunes vote on matters that are solely for the consideration of the citizens of the City of Dunes.

NOW, THEREFORE, BE IT RESOLVED by the City of Dunes, Lane County, Oregon, that D. M. Penfold, Director of Records and Elections for Lane County, and Richard Hayes, coordinator for the Rural Readressing Project, are hereby requested to hereby immediately index the City of Dunes by means of the Grid Coordinant System so as to make it possible to ascertain the residents that reside in the City of Dunes.

BE IT FURTHER RESOLVED that as soon as the City of Dunes has been indexed that a separate voting precinct be established for the City of Dunes.

WHEREAS, the President of the United States, on November 26, 1974, submitted a "Special Message to Congress on Budget Revisions and Deferrals"; and

WHEREAS, the Special Message includes a report of the deferral of 50 percent ($50,000,000) of the $100,000,000 FY 1975 U.S. Department of Housing and Urban Development Comprehensive Planning Assistance Grants Budget (701 funds); and

WHEREAS, reduction of this funding program was experienced during the previous year; and

WHEREAS, funds from this program are used to support planning and coordination activities of local general-purpose governments and the council of governments; and

WHEREAS, the deferral of 50 percent of these funds will have a severe adverse effect on the planning and coordination activities of this area and other areas throughout the nation; and

WHEREAS, the adverse effect may drastically limit the ability of the city to carry out required planning activities; and

WHEREAS, it is further understood that the President's FY 1976 Budget contains no funding item for 701 Comprehensive Planning: Now, therefore, be it

RESOLVED, that the City of DUNES CITY respectfully requests the Congress of the United States to take appropriate action to disapprove the deferral of these FY 1975 701 Comprehensive Planning Assistance Grant funds and to ensure continued funding in FY 1976 of at least the funding level of the current year.

SAMPLE LETTER

The Honorable

Dear [Name of Recipient]:

It has been brought to the attention of [Name of governing unit and jurisdiction] that the President's Recision and Deferral Message recommends a cutback of 50 percent ($50,000,000) of the Fiscal Year 1975 U.S. Department of Housing and Urban Development 701 Comprehensive Planning funds. In addition, we understand that because of this deferral recommendation, the President is not proposing any FY 1976 funding for this program.

We already have received cutbacks in the last fiscal-year funding. We rely on these monies to assist us in providing necessary planning services for our citizens. This Presidential proposal threatens the ability of local governments and councils of local governments to carry out basic planning and coordination activities for the development of our areas. In addition to the service aspect, we also will be throwing additional people out of work.

We strongly oppose the deferral of these funds and further oppose the lack of any 701 funding proposal for the FY 1976 budget. We urge you to seek disapproval of the deferral and to work for a continued funding in FY 1976 at least at the same level.

Sincerely,
