NOTICE

This permit becomes null and void if work or construction authorized is not commenced within 180 days or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. By signing below, I hereby certify that I have read and examined this application and know the same to be true and correct. If the installation is being made on property I own, the property is not intended for sale, lease, or rent. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other State or Local Law regulating construction or the performance of construction.

All Contractors and subcontractors are required to be licensed in Dunes City and with the Oregon Construction Contractors Board under ORS 701. If applicant is exempt from licensing, the following reason applies:
