Eagle Scout Service Project Proposal

Project Description and Benefit

Eagle Scout candidate: Kyle David Hughes

Briefly describe the project. Attach sketches or "before" photographs if these will help others visualize it.

Rehabilitating and finishing basketball court at Dune City Hall. This project include the following
1) moving existing basketball standard to more favorable position, sand and paint backboard, and replacing new rim and net 2) construct a 30" retaining wall across 34' frontage to prevent sand erosion onto court 3) Clear brush around basketball area and construct a memorial bench dedicated to a Dunes City council member who recently died and served for many years 4) Paint the court itself to proper half court dimension

Tell how your project will be helpful to the beneficiary. Why is it needed?

In Dunes City, there are very few recreational areas for local children to play at. This project will create a safe area for the children to play

When do you plan to begin work on the project? within two weeks of approval

How long do you think it will take to complete? by November 27 2019

Giving Leadership

Approximately how many people will be needed to help on your project? 22

Where will you recruit them (unit members, friends, neighbors, family, others)? Explain:

From fellow scouts, family members, family friends, friends, fellow school members, and members from local church

What do you think will be most difficult about leading them?

Determining which people should do each job and getting people to stay on task

Materials

(Materials are things that become part of the finished project, such as lumber, nails, and paint.)

What types of materials, if any, will you need? You do not yet need a detailed list of exact quantities, but you must show you have a reasonable idea of what is required.

new rim and net, cinder blocks, paint, bench construction materials, concrete

Supplies

(Supplies are things you use up, such as masking tape, tarps, and garbage bags.)

What kinds of supplies, if any, will you need? You do not yet need a detailed list or exact quantities, but you must show you have a reasonable idea of what is required.

masking tape, garbage bags, paint, fuel

Eagle Scout Service Project Proposal

Tools

What kinds of tools, if any, will you need?

Brush clearing equipment, shovels, rakes, wheelbarrows, paint brushes, gloves, safety glasses, 5 gallon buckets, leave blower, trailer, ladders chainsaw

Permits and Permissions

(Note that property owners normally secure permits.)

Will you need to secure permissions or permits (for example, building permits)? Who will obtain them?
How much will they cost? How long will it take to secure them?

Blue stake survey, and permission from Dunes City. Kyle Hughes and Jamie Mills will obtain them. No expense. 48 hours

Preliminary Cost Estimate

(You do not need exact costs. Reviewers will just want to see if you can reasonably expect to raise enough money to cover an initial estimate of expenses.)

(Enter your estimated expenses)

Fundraising Explain where you will get the money for total costs indicated below, left.

Items	Cost	Ask for individual donations and donations from local church
Materials	785	
Supplies	120	
Tools		
Other*	130	
Total costs:	1035	

**Such costs as food, water, gasoline, parking, permits, equipment rental, sales tax, etc.*

Project Phases

Think of your project in terms of phases and list what they might be. The first might be to complete your final plan. Others might include fundraising, preparation, execution, and reporting. You may have as many phases as you want, but it is not necessary to become overly complicated.

1. Finalize project details with leaders and scouts--assigning group leaders their tasks and responsibilities
2. fundraise
3. secure supplies (collect donated items and make purchases)
4. Finalize date(s) of completion
5. Complete Project
6.
7.
8.

Logistics

(A Tour Plan has also been called a "Tour Permit." Check with your council service center to determine if one is required.)

How will you handle transportation of materials, supplies, tools, and helpers? Will you need a Tour Plan?

Because this project is within city limits all volunteers will get themselves to and from the job site.

Eagle Scout Service Project Proposal, continued

Safety Issues

(The Guide to Safe Scouting is an important resource in considering safety issues.)

Describe the hazards and safety concerns you and your helpers should be aware of as this project is conducted.

work truck accidents, chainsaws, equipment misuse, falling objects, loud noises, thorns, ticks, traffic

Further Planning

(You do not have to list every step, but it must be enough to show you have a reasonable idea of how to complete a final plan.)

List some action steps you will take to complete a final plan. For example, "Complete a more detailed set of drawings."

Contact Brian Holmes and ask for counsel through this step. Complete a more detailed set of drawings.
