AN ORDINANCE CONCERNING PUBLIC CONTRACTING; REPEALING AND REPLACING ORDINANCE NO. 160 AND CHAPTER 33 OF THE CODE OF DUNES CITY; AND DECLARING AN EMERGENCY.

The City of Dunes City Finds:

These three subchapters, together, constitute the new Public Contracting Code. All rules and exemptions adopted under ORS chapter 279, including the Dunes City Code Chapter 33, expired on March 1, 2005; and

WHEREAS, absent any action by the Local Contract Review Board (or its delegate), Dunes City will be subject to the Model Rules adopted by the Attorney General under ORS subchapters 279A, 279B, and 279C (the "Model Rules"), which include Divisions 46, 47, 48, and 49 in the Attorney General’s Public Contracts Manual; and

WHEREAS, in order to adopt new public contracting rules that differ from the Model Rules, the City Council must specifically state that the Model Rules adopted by the Attorney General do not apply, and must adopt its own rules. The Local Contract Review Board may also adopt rules for public contracting not covered by the Model Rules as long as they do not conflict with the Public Contracting Code; and

WHEREAS, the Public Contracting Code divides powers and duties for contracting into two categories: those that must be performed by the "Local Contract Review Board"; and those that must be performed by the "Contracting Agency," and

WHEREAS, the Local Contract Review Board may designate certain personal service contracts or classes of service contracts as personal service contracts, which are not subject to the rules of the Public Contracting Code or the Model Rules.

B. **Basis for Approval.** The approval of a special solicitation method or exemption from competition must be based upon a record before the City Council that contains the following:

1. The nature of the contract or class of contracts for which the special solicitation or exemption is requested;

2. The estimated contract price or cost of the project, if relevant;

3. Findings to support the substantial cost savings, enhancement in quality or performance or other public benefit anticipated by the proposed selection method or exemption from competitive solicitation;

4. Findings to support the reason that approval of the request would be unlikely to encourage favoritism or diminish competition for the public contract or class of public contracts, or would otherwise substantially promote the public interest in a manner that could not practically be realized by complying with the solicitation requirements that would otherwise be applicable under these regulations;

5. A description of the proposed alternative contracting methods to be employed; and

6. The estimated date by which it would be necessary to let the contract(s).

In making a determination regarding a special selection method, the City Council may consider the type, cost, amount of the contract or class of contracts, number of persons available to make offers, and such other factors as it may deem appropriate.

C. **Hearing.**
(1) Dunes City may approve the special solicitation or exemption after a public hearing before the City Council following notice by publication in at least one newspaper of general circulation in the Dunes City area.

E. Commencement of Solicitation Prior to Approval. A solicitation may be issued prior to the approval of a special exemption under this section, provided that the closing of the solicitation may not be earlier than five days after the date of the hearing at which the City Council approves the exemption. If the City Council fails to approve a requested exemption, or requires the use of a solicitation procedure other than the procedures described in the issued solicitation documents, the issued solicitation may either be modified by addendum, or cancelled.

33.020 Solicitation Methods For Classes of Contracts

The following classes of public contracts and the method(s) that are approved for the award of each of the classes are hereby established by the City Council:

1. **Design/Build and CM/GC Contracts.** Contracts for the construction of public improvements using a design/build or construction manager/general contractor construction method shall be awarded under a request for proposals. Except for public improvement procurements, the award may be based on a combination of price and other criteria, including the submission of samples. In soliciting informal quotations, the Purchasing Manager shall seek quotations from a sufficiently large number of potential bidders to ensure sufficient competition in price, quality and such other criteria as are considered important to meet the best interests of the City. An award based on receiving fewer than three informal quotations may be made only on a determination by the Purchasing Manager that potential bidders were given a reasonable opportunity to submit quotes or proposals. Notwithstanding the foregoing, no contractor may be awarded, in the aggregate, within the fiscal year, procurements in excess of $10,000 under this subsection without formal quotations. In computing the aggregate under this subsection, awards under $500 need not be included.

Except for public improvement procurements, the award may be based on a combination of price and other criteria, including the submission of samples. In soliciting informal quotations, the City Council shall seek quotations from a sufficiently large number of potential bidders to ensure sufficient competition in price, quality and such other criteria as are considered important to meet the best interests of the City. The Purchasing Manager shall record the findings that support the purchase.

18. **Utilities.** Contracts for the purchase of steam, power, heat, water, telecommunications services, and other utilities.

G. **Contracts Required by Emergency Circumstances.**

1. **In General.** When the Mayor determines that immediate execution of a contract is necessary to prevent substantial damage or injury to persons or property, the official may execute the contract without competitive selection and award or City
Council approval, but, where time permits, the official shall attempt to use competitive price and quality evaluation before selecting an emergency contractor.

Any public improvement contract award under emergency conditions must be awarded within 60 days following the declaration of an emergency unless the City Council grants an extension of the emergency period. These items may be sold for fair market value without bid and by a process deemed most efficient by the City Council.
4. **Restriction on Sale to Dunes City Employees.** Dunes City employees shall not be restricted from competing, as members of the public, for the purchase of publicly sold surplus property, but shall not be permitted to offer to purchase property to be sold to the first qualifying bidder until at least three days after the first date on which notice of the sale is first publicly advertised.

5. **Conveyance to Purchaser.** Upon the consummation of a sale of surplus personal property, Dunes City shall make, execute and deliver, a bill of sale signed on behalf of the Dunes City conveying the property in question to the purchaser and delivering possession, or the right to take possession, of the property to the purchaser.

K. **Concession Agreements.**

1. **General.** No part of a Concession Agreement shall contain or constitute a waiver of any generally applicable rules, code provisions or requirements of Dunes City concerning regulation, registration, licensing, inspection, or permit requirements for any construction, rental or business activity.

2. **Classes of Contracts Eligible for Award Without Competition.** The following concession agreements may be awarded by any method deemed appropriate by the Solicitation Agent, including without limitation, by direct appointment, private negotiation, from a qualified pool, or using a competitive process.

   a. **Contracts Under $5,000.** Contracts under which the Solicitation Agent estimates that receipts by Dunes City will not exceed $5,000 in any fiscal year and $50,000 in the aggregate.

   b. **Single Event Concessions.** Concessions to sell or promote food, beverages, merchandise or services at a single public event shall be awarded based on any method determined by the Purchasing Manager to provide a fair opportunity to all persons desiring to operate a concession, but in which the promotion of the public interest and success of the event shall be of predominant importance.

3. **Competitive Award.** Concession agreements solicited by Dunes City for the use of designated public premises for a term greater than a single event shall be awarded as follows:

   a. **Small Concessions.** For Concession Agreements for which the concessionaire’s projected annual gross revenues are estimated to be $500,000 or less, the Purchasing Manager has discretion to use either an informal solicitation or formal request for proposals process applicable to contracts for personal services. If the proposals received indicate a probability that the concessionaire’s annual gross revenues will exceed $500,000, the Solicitation Agent may, but shall not be required to, reissue the solicitation as a request for proposals.
b. **Major Concessions.** Concession agreements for which the concessionaire’s projected annual gross revenues under the contract are estimated to exceed $500,000 annually shall be awarded using a request for proposals.

33.030 Public Contracts - Informal Solicitation Procedures. Dunes City may use the following procedure for informal solicitations in lieu of the procedures set forth in the Model Rules.

A. **Informally Solicited Quotes and Proposals.**

1. **Solicitation of Offers.** When authorized by these regulations, an informal solicitation may be made by general or limited advertisement to a certain group of vendors, by direct inquiry to persons selected by the Solicitation Agent, or in any other manner which the Solicitation Agent deems suitable for obtaining competitive quotes or proposals. The Solicitation Agent shall deliver or otherwise make available to potential offerors, a written scope of work, a description of how quotes or proposals are to be submitted and description of the criteria for award.

2. **Award.** The Solicitation Agent shall attempt to obtain a minimum of three written quotes or proposals before making an award. If the award is made solely on the basis of price, the Solicitation Agent shall award the contract to the responsible offeror that submits the lowest responsive quote. If the award is based on criteria other than, or in addition to, price, the Solicitation Agent shall award the contract to the responsible offeror that will best serve the interest of Dunes City, based on the criteria for award.

3. **Records.** A written record of all persons solicited and offers received shall be maintained. If three offers cannot be obtained, a lesser number will suffice, provided that a written record is made of the effort to obtain the quotes.

B. **Qualified Pools.**

1. **General.** To create a qualified pool, the City Council may invite prospective contractors to submit their qualifications to Dunes City for inclusion as participants in a pool of contractors qualified to provide certain types of goods, services, or projects including personal services, and public improvements.

2. **Advertisement.** The invitation to participate in a qualified pool shall be advertised in the manner provided for advertisements of invitations to bid and requests for proposals by publication in at least one newspaper of general statewide circulation. If qualification will be for a term that exceeds one year or allows open entry on a continuous basis, the invitation to participate in the pool must be re-published at least once per year and shall be posted at Dunes City’s main office and on its website.

3. **Contents of Solicitation.** Requests for participation in a qualified pool shall describe the scope of goods or services or projects for which the pool will be
maintained, and the minimum qualifications for participation in the pool, which may include, but shall not be limited to qualifications related to financial stability, contracts with manufacturers or distributors, certification as an emerging small business, insurance, licensure, education, training, experience and demonstrated skills of key personnel, access to equipment, and other relevant qualifications that are important to the contracting needs of Dunes City

4. **Contract.** The operation of each qualified pool may be governed by the provisions of a pool contract to which Dunes City and all pool participants are parties. The Contract shall contain all terms required by Dunes City, including, without limitation, terms related to price, performance, business registration or licensure, continuing education, insurance, and requirements for the submission, on an annual or other periodic basis, of evidence of continuing qualification. The qualified pool contract shall describe the selection procedures that Dunes City may use to issue contract job orders. The selection procedures shall be objective and open to all pool participants and afford all participants the opportunity to compete for or receive job awards. Unless expressly provided in the contract, participation in a qualified pool will not entitle a participant to the award of any Dunes City contract.

5. **Use of Qualified Pools.** Subject to the provisions of these regulations concerning methods of solicitation for classes of contracts, the City Council shall award all contracts for goods or services of the type for which a qualified pool is created from among the pool's participants, unless it determines that best interests of Dunes City require solicitation by public advertisement, in which case, pool participants shall be notified of the solicitation and invited to submit competitive proposals.

6. **Amendment and Termination.** The City Council may discontinue a qualified pool at any time, or may change the requirements for eligibility as a participant in the pool at any time, by giving notice to all participants in the qualified pool.

7. **Protest of Failure to Qualify.** The Purchasing Manager shall notify any applicant who fails to qualify for participation in a pool that it may appeal a qualified pool decision to City Council in the manner described in Section 33.070.

33.040 Public Contracts - Use of Brand Name Specifications for Public Improvements.

A. **In General.** Specifications for contracts shall not expressly or implicitly require any product by one brand name or mark, nor the product of one particular manufacturer or seller, except for the following reasons:

1. It is unlikely that such exemption will encourage favoritism in the awarding of Public improvement Contracts or substantially diminish competition for Public improvement Contracts; or
2. The specification of a product by brand name or mark, or the product of a particular manufacturer or seller, would result in substantial cost savings to Dunes City or
3. There is only one manufacturer or seller of the product of the quality required; or
4. Efficient utilization of existing equipment, systems or supplies requires the acquisition of compatible equipment or supplies.

B. **Authority of Purchasing Manager.** The Purchasing Manager shall have authority to determine whether an exemption for the use of a specific brand name specification should be granted by recording findings that support the exemption based on the provisions of Subsection 33.040.A.

C. **Brand Name or Equivalent.** Nothing in this Section prohibits Dunes City from using a “brand name or equivalent” specification, from specifying one or more comparable products as examples of the quality, performance, functionality or other characteristics of the product needed by Dunes City or from establishing a qualified product list.

**33.050 Public Contracts - Bid, Performance and Payment Bonds.**

A. **Solicitation Agent May Require Bonds.** The Solicitation Agent may require bid security and a good and sufficient performance and payment bond even though the contract is of a class that is exempt from the requirement.

B. **Bid Security.** Except as otherwise exempted by the City Council, the solicitations for all contracts that include the construction of a public improvement and for which the estimated contract price will exceed $25,000 shall require bid security. Bid security for a request for proposal may be based on Dunes City’s estimated contract price.

C. **Performance Bonds.**

1. **General.** Except when required by the City Council or as provided by this Chapter, all public contracts under $25,000 are exempt from the requirement for the furnishing of a performance bond.

2. **Contracts Involving Public Improvements.** Prior to executing a contract for more than $25,000, the contractor must deliver a performance bond in an amount equal to the full contract price conditioned on the faithful performance of the contract in accordance with the plans, specifications and conditions of the contract. The performance bond must be solely for the protection of Dunes City and any public agency that is providing funding for the project for which the contract was awarded.

3. **Emergency Exemptions.** For contracts necessitated by emergency, or where the interest or property of the city would suffer material injury or delay or for other
good cause, the Council, or as the case may be, the Mayor or President of the Council who awards the contract, may waive the requirements for bid security and good and sufficient bond to assure performance of the contract and payment of the obligations incurred in the performance, if a declaration of emergency is or other sufficient findings are made prior to awarding the contract.

4. **Cash-in-Lieu.** The Purchasing Manager may permit the successful offeror to submit a cashier’s check or certified check in lieu of all or a portion of the required performance bond.

D. **Payment Bonds.**

1. **General.** Except as provided in these regulations, all public contracts are exempt from the requirement for the furnishing of a payment bond.

2. **Contracts Involving Public Improvements.** Prior to executing a contract for more than $50,000 that includes the construction of a public improvement, the contractor must deliver a payment bond equal to the full contract price, solely for the protection of claimants under ORS 279C.600.

E. **Design/Build Contracts.** If the public improvement contract is with a single person to provide both design and construction of a public improvement, the obligation of the performance bond for the faithful performance of the contract must also be for the preparation and completion of the design and related services covered under the contract. Notwithstanding when a cause of action, claim or demand accrues or arises, the surety is not liable after final completion of the contract, or longer if provided for in the contract, for damages of any nature, economic or otherwise and including corrective work, attributable to the design aspect of a design-build project, or for the costs of design revisions needed to implement corrective work.

F. **Construction Manager/General Contractor Contracts.** If the public improvement contract is with a single person to provide construction manager and general contractor services, in which a guaranteed maximum price may be established by an amendment authorizing construction period services following preconstruction period services, the contractor shall provide the bonds required by subsection A of this Section upon execution of an amendment establishing the guaranteed maximum price. Dunes City shall also require the contractor to provide bonds equal to the value of construction services authorized by any early work amendment in advance of the guaranteed maximum price amendment. Such bonds must be provided before construction starts.

G. **Surety; Obligation.** Each performance bond and each payment bond must be executed solely by a surety company or companies holding a certificate of authority to transact surety business in Oregon. The bonds may not constitute the surety obligation of an individual or individuals. The performance and payment bonds must be payable to Dunes City or to the public agency or agencies for whose benefit the bond is issued, as
specified in the solicitation documents, and shall be in a form approved by the Purchasing Manager.

H. **Emergencies.** In cases of emergency, or when the interest or property of Dunes City probably would suffer material injury by delay or other cause, the requirement of furnishing a good and sufficient performance bond and a good and sufficient payment bond for the faithful performance of any public improvement contract may be excused, if a declaration of such emergency is made in accordance with the provisions of Section 33.050.C.4, unless the City Council requires otherwise.

### 33.060 Public Contracts - Electronic Advertisement of Public Improvement Contracts.

In lieu of publication in a newspaper of general circulation in Dunes City’s metropolitan area, the advertisement for an invitation to bid or request for proposals for a contract involving a public improvement may be published electronically by posting on Dunes City’s website, provided that the following conditions are met:

A. The placement of the advertisement is on a location within the website that is maintained on a regular basis for the posting of information concerning solicitations for projects of the type for which the invitation to bid or request for proposals is issued; and

B. The Solicitation Agent determines that the use of electronic publication will be at least as effective in encouraging meaningful competition as publication in a newspaper of general circulation in the Dunes City metropolitan area and will provide costs savings for Dunes City or that the use of electronic publication will be more effective than publication in a newspaper of general circulation in Dunes City’s metropolitan area in encouraging meaningful competition.

### 33.070 Appeal of Debarment or Prequalification Decision.

A. **Right to Hearing.** Any person who has been debarred from competing for Dunes City contracts or for whom prequalification has been denied, revoked or revised may appeal the City’s decision to the City Council as provided in this Section.

B. **Filing of Appeal.** The person must file a written notice of appeal with the Purchasing Manager within three business days after the prospective contractor’s receipt of notice of the determination of debarment, or denial of prequalification.

C. **Notification of City Council.** Immediately upon receipt of such notice of appeal, the Purchasing Manager shall notify City Council of the appeal.

D. **Hearing.** The procedure for appeal from a debarment or denial, revocation or revision of prequalification shall be as follows:

   1. Promptly upon receipt of notice of appeal, Dunes City shall notify the appellant of the time and place of the hearing;
2. The City Council shall conduct the hearing and decide the appeal within 30 days after receiving notice of the appeal from the Purchasing Manager; and

3. At the hearing, the City Council shall consider de novo the notice of debarment, or the notice of denial, revocation or revision of prequalification, the standards of responsibility upon which the decision on prequalification was based, or the reasons listed for debarment, and any evidence provided by the parties.

E. **Decision.** The City Council shall set forth in writing the reasons for the decision.

F. **Costs.** The City Council may allocate the City Council’s costs for the hearing between the appellant and the City. The allocation shall be based upon facts found by the City Council and stated in the City Council’s decision that, in City Council’s opinion, warrant such allocation of costs. If the City Council does not allocate costs, the costs shall be paid as by the appellant, if the decision is upheld, or by Dunes City, if the decision is overturned.

G. **Judicial Review.** The decision of the City Council may be reviewed only upon a petition in the circuit court of Lane County filed within 15 days after the date of the City Council’s decision.

Section 2. **Severability.** If any phrase, clause, or part of this Ordinance is found to be invalid by a court of competent jurisdiction, the remaining phrases, clauses, and parts shall remain in full force and effect.

Section 3. **Emergency Clause.** This Ordinance, being essential to the preservation of the health, safety, welfare and financial integrity of the City because amendments to Oregon Revised Statutes Chapter 279, from House Bill 279, become effective on March 1, 2005, and it is essential for Dunes City to have a local public contracting process in place as soon as possible following the effective date of House Bill 279, an emergency is hereby declared to exist and this Ordinance is effective on March 10, 2005.
