RESOLUTION SERIES 2020, NO. 5**

**A Resolution Amending Permit Fees for Building and Public Works Permits Issued by  
the City of Dunes City**

**WHEREAS**, On July 13, 2006, the City Council adopted Ordinance No. 183 which amended the fee schedule for Building Code-related activities requiring permits and provided that future changes to the Fee schedule may be done by Resolution; and

**WHEREAS**, Section 154.024 provides authority to the City to establish a fee schedule for Building Code-related activities; and

**WHEREAS**, more than Thirteen (13) years have lapsed since the adoption of the last fee schedule and costs and fees incurred by the City in maintaining the Building Code Program have increased during that time; and

**WHEREAS**, City cost increases over the last 13 years and recent changes in administrative rules adopted by the Oregon Building Code Division necessitate amending fees associated with building permits; and

**WHEREAS**, the Oregon Building Code Division must be notified of and grant final approval for the establishment of building permit-related fee increases prior to Dunes City implementing any fee schedule increase;

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF  
DUNES CITY THAT:**

The revised fee schedule attached hereto as Exhibit A and incorporated by reference herein is hereby adopted; and

This Resolution takes effect upon the approval and the timeline established by the State of Oregon Building Codes Division but not prior to Thirty (30) days after the adoption of this Resolution.

**ADOPTION:**

This Resolution is passed and adopted on the 26th day of August, 2020.
